

# EXPLOSIONSZEICHNUNG

KBS Gastrotechnik GmbH – Schoßbergstraße 26 – 65201 Wiesbaden

| S/N | Description (English)  | Material          | Specification         | Part Code               | Unit QTY |
|-----|------------------------|-------------------|-----------------------|-------------------------|----------|
| 1   | Lower cross beam       | SS                |                       | 802005018001            | 1        |
| 2   | Outer toughened glass  |                   |                       | 70201006073L            | 1        |
| 3   | Handle base            |                   |                       | 70200702755L            | 2        |
| 4   | Door Handle            |                   |                       | 802005018025            | 1        |
| 5   | Inner toughened glass  | Toughened glass   | 728×442×5mm           | 70201001446             | 1        |
| 6   | Door cross beam        | SS                |                       | 802005018002            | 1        |
| 7   | Shelf                  | Electric plaiting |                       | 70201101519             | 1        |
| 8   | Shelf                  | Electric plaiting |                       | 70201101500             | 1        |
| 9   | Fan cover              |                   |                       | 70201101491             | 2        |
| 10  | Air duct panel         |                   |                       | 802005018015            | 1        |
| 11  | Frame buckle           | SS                |                       | 70202003582             | 2        |
| 12  | Door gasket            | Silicon gel       |                       | 70200200782             | 1        |
| 13  | Heating element        | SS                | 230V/50HZ 3.1KW       | 70100402300             | 2        |
| 14  | Fan                    | S                 |                       | 70200300673             | 2        |
| 15  | Inner chamber          |                   |                       |                         | 1        |
| 16  | Spray water pipe       |                   |                       | 70202003773             | 1        |
| 17  | Inlet pipe             |                   |                       | 70202003782             | 1        |
| 18  | Motor                  |                   | 230V/50HZ 90W 2450RPM | 70100102046             | 2        |
| 19  | Housing                | SS                |                       | 802005018004            | 1        |
| 20  | Back board             |                   |                       | 802005018007            | 1        |
| 21  | Lamp                   |                   |                       | 70101300482+70101300382 | 2        |
| 22  | Chamber lamp cover     | Toughened glass   |                       |                         |          |
| 23  | Travel switch          |                   |                       | 70100800155             | 1        |
| 24  | Door Hinge Bracket     |                   |                       | 70200402664             | 2        |
| 25  | Power cord             |                   | 2.3m                  |                         | 1        |
| 26  | Power cord jacket      |                   |                       | 70100702164             | 1        |
| 27  | Silicone hose          |                   | 1.3m                  | 70202300028             | 1        |
| 28  | Temperature limiter    |                   | 360°C 230V16A         | 70100301982L            | 1        |
| 29  | Inlet solenoid valve   |                   |                       | 70101000228+70201000255 | 1        |
| 30  | Capacitor              |                   | 450V3.15uF            | 70100100619             | 2        |
| 31  | AC contactor           |                   | 230V 20A              | 70100900164             | 2        |
| 32  | Terminal block         |                   |                       | 70100700555             | 1        |
| 33  | Reversible transformer |                   |                       | 70101500873L            | 1        |
| 34  | Chamber lamp base      |                   |                       | 70200203528L            | 2        |
| 35  | Foot                   | Bakelite          |                       | 70200900228             | 4        |
| 36  | Digital timer          |                   |                       | 70101002373L            | 1        |
| 37  | Spraying indicator     |                   | 220V/Φ 13, Green      | 70101300146             | 1        |
| 38  | Switch                 |                   | R13-507               | 70100800237             | 1        |
| 39  | Bottom cross beam      |                   |                       | 802005018005            | 1        |
| 40  | Power indicator        |                   | 220V/Φ 13, green      | 70101300155             | 1        |
| 41  | Thermostat knob base   | Bakelite          | φ51                   | 70101100046             | 1        |
| 42  | Thermostat knob        | Bakelite          | φ40                   | 70101100282             | 1        |
| 43  | Thermostat             |                   | 50~300°C              | 70100300200             | 1        |
| 44  | Door hinge             | Zinc plating      |                       | 70200402973L            | 2        |
| 45  | Push rod assembly      |                   |                       | 70202024291L            | 1        |
| 46  | Lamp housing           |                   |                       | 70202021891L            | 2        |
| 47  | Baking tray            |                   |                       | 70201200491             | 4        |
